## About this adventure

The 2026 St Andrew's Cathedral School Drama Tour is a once-in-a-lifetime opportunity of cultural immersive learning. Students will enhance their knowledge of the Drama learning outcomes through performance studies in a variety of culturally specific theatrical genres.

Students will travel to England where they will undertake drama workshops with acclaimed theatre companies; Frantic Assembly and Shakespeare's Globe Theatre, learning skills in physical theatre and performing Shakespeare before they head to France, where they will learn from industry artists in the performance style of Lecoq Theatre and participate in the Disneyland Paris Performing Arts Program.

This adventure is perfect for students to enrich their learning in Drama.

*“The team at Travel Gang were meticulous in their preparation, coordination and genuine care and support shown to each and every one of the fifty children and chaperones who participated in the 20 day tour of the USA. It is by far the most comprehensive and professionally managed group event I have been associated with. The quality of the communication and attention to detail which accompanied the management of this tour was highly impressive. I have no hesitation in recommending a Travel Gang program to any parent or educator.”*
